

CLEVELAND COATINGS SOCIETY

53rd Sink or Swim Symposium

Call for Papers

December 14, 2009

AKRON, OH – Abstracts for podium & poster presentations are now being accepted for the 53rd Annual Sink or Swim Technical Symposium, to be held May 18 & 19, 2010, at the University of Akron, Student Union Building, Akron, Ohio.

Deadline for submission of abstract is extended to February 15, 2010

This year's symposium will focus on a wide array of coating technologies including "Green" sustainable coatings. Paper topics may include waterborne, solventborne, powder, UV, High Solids, Green and Nano Coatings Technology, as well as aspects of corrosion, durability and characterization. Time allotted for each speaker will be 25 minutes for the actual presentation and 5 minutes for questions. If you need additional time, please contact me and we will try to accommodate you. **PLEASE SUBMIT FORMS AND ABSTRACTS VIA EMAIL!**

- Nano coatings
- Green Sustainable Technologies
- Raw materials, surfactants and additives
- Application methods & equipment
- The coating industry trends
- Pigment dispersions
- Aerospace coatings
- Improved corrosion resistance
- Architectural Coatings
- Marine Coatings
- Emulsion polymerization/polymers
- New polymer technologies
- Automotive OE & VR coatings
- Wood Coatings
- VOC/HAPs/RoHs issues
- Analysis & Characterization
- Process & Manufacturing
- Color technology

All papers will be considered for this or future presentations, but we reserve the right to choose the papers that best fit our symposium focus. An electronic copy of your abstract and presentation, and a paper for the plenary lecturers will be required by March 1, 2010.
